

Summative Assessment

Deadline: 17 December 2025

Writing Style: **Chicago 17 Manual and Conventions**

The summative assessment for this module is a **2,700 to 3,000-word essay**, (includes footnotes and essay only)

The task

You must select **one** of the following questions for your essay:

- Q1: Evaluate the use of intelligence in conventional war in comparison with its use in irregular war.
- Q2: To what extent do modern military commanders successfully balance intelligence and intuition? Consider at least two case studies in your answer.
- Q3: To what degree might different intelligence sources impact decision-making in war? Discuss with reference to at least two intelligence sources.
